

WE WANT YOU TO CHOOSE IN SPAIN!

For just
1,27 €/day

At DKV, we want you to come to study in Spain without worries. Therefore, as health activists, we want to offer you a health insurance with which you will have total freedom to choose the specialist or medical centre you want to go, whether or not they are part of the medical directory.

Primary care, emergencies, hospitalisation and surgery included

Specialists and complementary diagnostics means

All specialities, preventative programmes and plenty more!

Healthcare in the event of an COVID-19 contagion.

Without copayments!

You will not pay more for going to your medical appointments.

Quiero Cuidarme Más app

Download the app and enjoy access to virtual consultations, online appointments, a health folder and many more services.

Dental service included with more than 50 free services and others at very special prices.

SPECIAL COVER FOR YOU!

Cover for repatriation of the body. As an international student, your insurance has a Special cover for repatriation to the country of origin, complying with the requirements of the international embassy.
